Queen Quality Shoes
The superior quality of the materials used in Queen
Quality Shoes is alone sufficient to place them above
the average. To this add elever shoe-making, originality of design, the knack of giving "ease to the foot
the first time worn" and you have some reasons
why "Queen Quality." Shoes rise above the comworld. Then again, they are priced reasonably. I,
you our splendid Pail Assortment of these famous sh

JOHN HOWEY, A. WEST Manager MONDAY, OCTOBER 12, 1914.

Be thankful. Think of Bel-

order of the Kaiser. Hundreds of non-resident who is assessed on the control of the Kaiser. Hundreds of non-resident who is assessed on the control of the Kaiser. Hundreds of the control spend and not save tends waste and extravagance rat waste and extravagance rathe than to economy and efficiency. There is no doubt that the voters qualification in the present cit; charter is one reason why the debt and taxes of Edmonton are debt and taxes of Edunoton are the highest per head in Canada; and why the city thus to by-pothecate four millions of bonds to provide for three millions of debt; and why at this particular time when the people of other cities look to the civic organiza-tion for a measure of relief, Ed-menton finds the worst feature of the situation in the state of the menton finds the worst feature of the situation in the state of the city finances. The new city charter proposes to take still more completely out of the hands of the people who pay the tase the right to direct the use of the money raised, or to prevent the placing of debt upon the property from which it is derived.

It is safe to say that judged only by facts; and the results of ricer administration. In surferly of the present Edmonton city council is the most thoroughly discredited majority of any city council board in Canada. This majority has asked the legislature to amend the city charter at the unjoirity has asked the legislature at three velocis. To amend the city chairter at the present session so as to place the in seesards School Hall at all of schools affairs on the basis of universal suffrage. The resolute to to do suffrage. The resolute to to do this was carried by a vote of nine. It found it is not to the found in the control of the school carried with the school car

pect that a resolution of such revolutionary character carried by such a small majority in such a council will not be endorsed by the legislature at the present pre-sumably non-contentions session— especially when the sumably non-contentious session— especially when the legislators are made aware that this very provision is one of many extra-ordinary amendments to the charter which are to be voted on by the ratepayers at the forth-councin aminejal elections. The councin majority decide that eer-tain proposed charter amend-ments are to be voted upon by the ratepayers before being sub-mitted to the legislature for con-siduation. And for fear the vot-res, so constituted by the present charier, will not endorse them or, their proposals they ask the leg-ther proposals they ask the leg-

Be Uninkful. Think of Belgium.

The real estate offices which were so numerous along Jasquer as year and two years ago where in a number of cases given way to lunch rooms. Instead of trye and the proposals they ask the legislature, they get money without giving value, the effort in the proposal they ask the legislature, they are the effort under the present candidors rean. Belgium with the logislature, they will be able to confine their present candidors rean. Belgium with the logislature, they will be able to confine their present candidors rean. Belgium with the logislature, they will be able to confine their present candidors rean. Belgium will be able to confine their present candidors rean. Belgium will be able to confine their present candidors are in a state of the read of the cardy in the car
